A Wilmington-based developer has launched construction of its third discount store this summer.

Jason Swain, principal broker of Wilmington-based Swain & Associates, said Wednesday his firm is currently developing a new Family Dollar store along U.S. Highway 117 in Rocky Point.

The latest project will occupy roughly one-acre of a seven-acre development slated for additional retail, Swain said.

Swain & Associates is currently developing Family Dollar stores in Wrightsboro and Monkey Junction in New Hanover County. The firm also recently completed an Advanced Auto Parts store south of the current Family Dollar construction.
